## Foreword

In this edition of the “*Cor Reginae*” — Immaculate Heart of Mary Academy’s first annual Yearbook, the school song has been used as its theme.

We, students, feel that our days spent in the academic, social, and above all, the spiritual environment of our Academy, have been under the special patronage and protection of our Queen, the Blessed Virgin Mary. She will be our Model for the rest of our lives, no matter what our futures may be .

It is with a sincere love for and deep admiration of Her that we begin our Yearbook with the opening lines:

*Immaculate Heart!*

*We praise your glorious name . . .*

Перше видання річної книжки Академії Непорочного Серця Марії є під кличем нашого шкільного гимну — “Непорочне Серце Марії, величаємо Твоє чудове ім’я.”

Цією книжкою ми щиро просимо Непорочне Серце Марії, щоб Вона далі опікувалася нами й благословила всю нашу працю. Ми в покорі і вдячності молимо Її, щоб Вона завжди була для нас взором та щоденно помагала нам зростати в мудрості й ласці.

*Under their Guidance we Strive for Perfection*

# *'Tis Here We Love To Learn . . .*

The classroom atmosphere invites one to study; both E. Michalishyn and G. Pasosky don't seem to think that academic work is too tedious at any time.

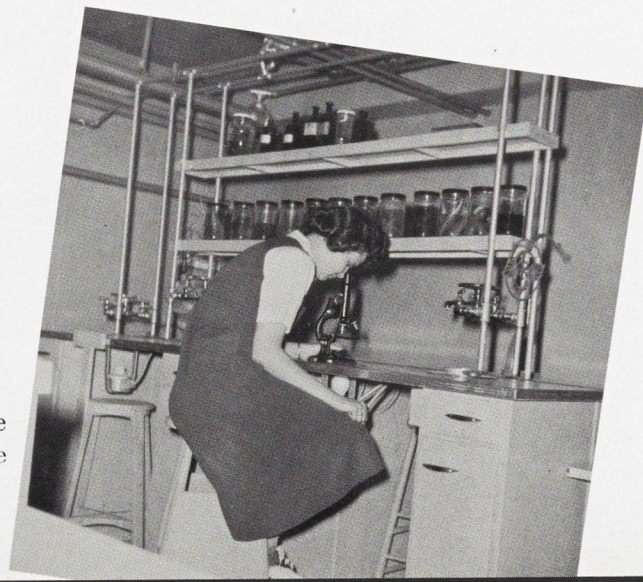

Students make good use of the school library for extra reference work as well as for enjoyable moments of relaxation with an interesting book.

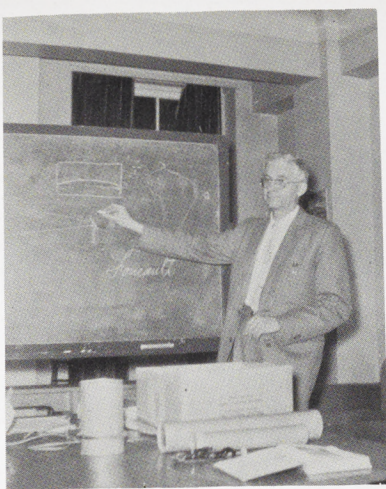

O. Kushnir prepares herself for the business career which she later hopes to follow.

A new world opens up before W. Novak as she observes the life functions of God's minute creatures.

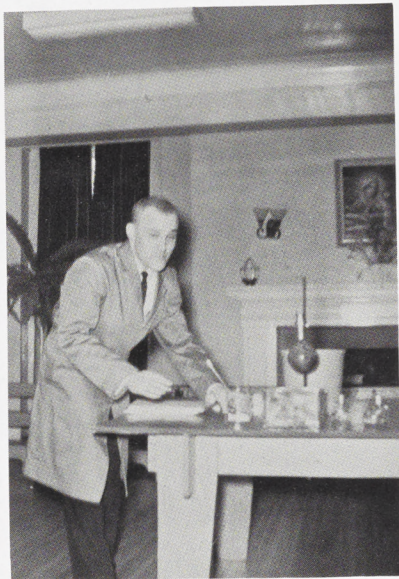

Mr. N. Wilde, President of the Winnipeg Science Fair Association, explains the intricacies of the telescope.

Science Club members, G. Dudar and D. Babey get their first glimpse through a home-made telescope.

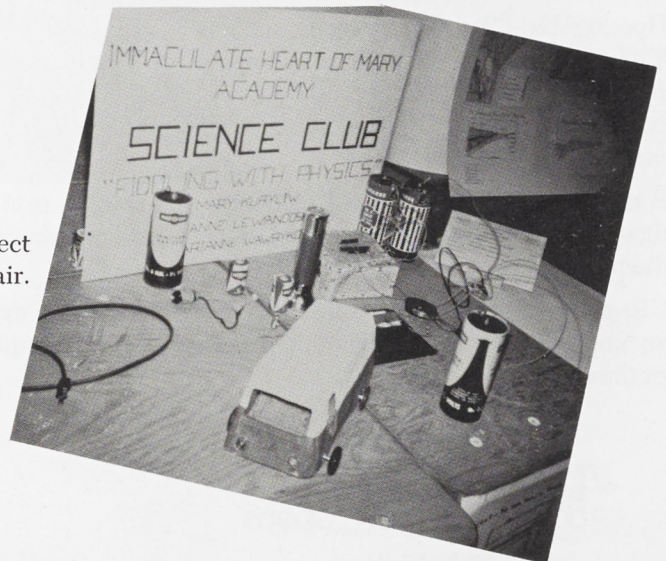

Reverend Brother J. Rohe, President of the Manitoba Science Teachers' Association, elaborates on the wonders of chemistry.

M. Wawrykow and J. Lewandosky discuss their science projects with N. Mazur and D. Balaban.

... and Pray

Students take advantage of the opportunity to nourish their souls by receiving Holy Communion frequently.

Rev. Canon A. Luhovy, Chaplain of the Academy, offers the Holy Sacrifice of the Mass, which is celebrated during the noon-hour on Fridays and Holy Days for the benefit of non-resident students.

Преподобні Сестри Служебниці, учительки Академії Непорочного Серця Марії, докладають всіх зусиль, щоб студентки підчас свого перебування в Академії постійно одержували корм для своєї душі. В тій цілі відбувається регулярне навчання релігії, під проводом сестер-учительок, а також Всеч. о. кан. А. Лугового. Всі студентки мають можливість користати з Служб Божих, які що-тижня відправляються в шкільній каплиці.

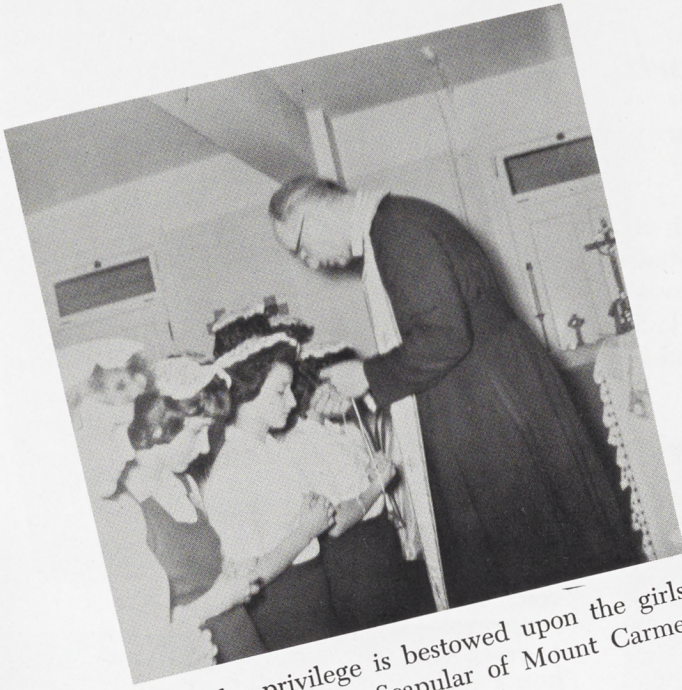

В школі працює дружина молитви, яка має на цілі заохотити студенток іти за покликом Христа, якщо відчують його в своїх серцях. Дівчата також моляться про покликання до священничого стану для українських хлопців.

Що-року відбуваються замкнені реколекції для студенток, які тривають три дні. В тому часі дівчата багато користають з усіх духовних вправ, конференцій, та молитов. Весело вертаються додому, духовно підкріплені.

A singular privilege is bestowed upon the girls as they receive the Scapular of Mount Carmel from Rev. E. Paschak, O.S.B.M.

Sisters and students participate in a mid-night Holy Hour of adoration before the Blessed Sacrament on the Feast of Christ the King.

The annual retreat, conducted this year by Rev. E. Kushko, O.S.B.M., is an event that is always eagerly anticipated by the girls. During this short sojourn with Christ, a student is refreshed by the spiritual exercises, conferences, and prayer, and draws closer to God in an atmosphere of silence and peace.

Posters cover every inch of wall space during the election campaign for the members of the Student Representative Council. This year, the executive of the S.R.C. was composed of: O. Jarko, President; P. Semnovich, Vice- President; J. Starodub, Secretary; G. Dudar, Treasurer; J. Prystupa, A. Poitras, and M. Wawrykow were Class Representatives.

В школі існує Рада Студенток, яка займається справами студенток. Ця рада завжди старається тримати лад у школі, та допомогти Сестрам у влаштуванні шкільних зайнять. Представників до ради вибирають всі студентки.

Цього року голосування відбулося в жовтні. Вибрані були: О. Ярکو, президентка; П. Семнович, віце-президентка; Й. Стародуб, секретарка; Г. Дудар, Скарбничка. Представниці кляс були наступні: Й. Приступа, А. Пойтрас, і М. Вавриков.

V. Hawrysh, P. Semnovich, and J. Starodub try to get the newspaper out on time.

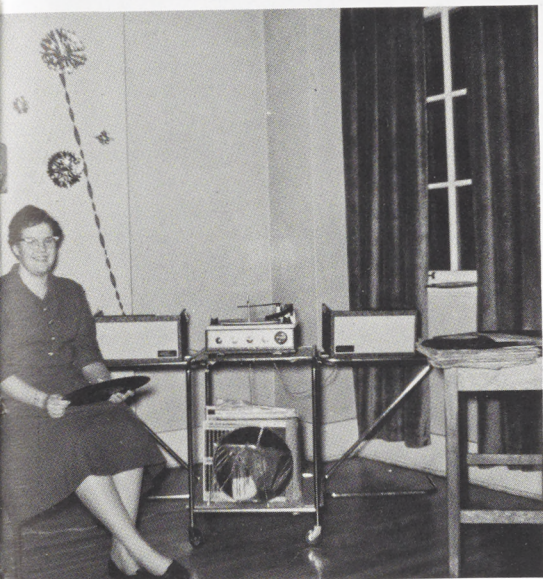

The school newspaper, "*The Coreginian*" is published by the students three times during the term. E. Michalishyn, V. Chase and S. Kiazzyk sort pages after they have been mimeographed.

The annual dance, this year entitled "Winter Wonderland" is usually successful due to active behind-the-scene workers. Here, D. Serdinski, P. Semnovich, W. Novak, and J. Lewandosky spray the branches which will be used to decorate the auditorium.

The Hallowe'en  
Decorating Committee  
in action.

Mistress Music, J. Starodub, and her one-piece band, ably entertain the crowd at each party.

The Garden Party and Tea, sponsored by the Business and Professional Section of the U.C.W.L., is an enjoyable event for students and guests. V. Subtelny and J. Kowal pause for a picture while P. Besko diligently goes on with the serving.

The Grade Nine Class caters to the sweet tooth of each student during its candy sale which was held in order to raise funds for their science projects.

... and Play

P. Semnovich ably conducts the Freshie Parade on Initiation Day, to the great amusement of the Senior Citizens at Holy Family Nursing Home.

First Frosh Queen, M. Soluk, receives her reward from Sister Superior Claudia, for her patient endurance of all initiation "inconveniences."

P. Halmoy, as "Choco" serves dainties to the other strange characters who visited the school on Hallow's Eve.

Voted the most popular girl in the school by the Academy students, P. Semnovich shows her delight after having been crowned Queen at the Winter Wonderland Ball.

# Immaculate Heart!

Sister Superior Claudia, Sister Margaret and Sister Lenore accept their class Christmas gift — a beautiful aluminum tree for each — while the girls happily look on.

The resident students gather around the fireplace for a sing-song during the annual Sisters-Students Christmas Party.

Цього року, як і кожного року, час пройшов дуже скоро. В часі шкільного року відбулося в Академії багато цікавих подій. Рік офіційно почався днем прийняття нових студенток до Академії. Осінню та зимою студентки ходили на прогулянки, ховзалися на лижах, та санкувалися. А з весною, теніс і вибиванка зацікавили їх. Одні завзято грали, а інші сиділи над річкою й весело розмовляли.

Wintertime with its ice and snow is wonderful! S. Harper, A. Poitras, L. Andreychuk, and S. Kristalovich take advantage of some new-fallen snow.

His Grace, Metropolitan M. Hermaniuk, enters the auditorium for a reception on the occasion of the Feast of Saint Maximus.

On behalf of the students, M. Bereza presents His Grace with a small token of appreciation.

Підчас шкільного року, студентки виявили свою пошану і вдячність тим, що в який небудь спосіб працювали для них.

Студентки привітами вшанували Митрополита Кир Максима Германюка, і Сестер-учительок у днях їх ім'янин.

Крім цих свят, студентки брали участь в концертах та громадських святах. Так вони навчилися разом працювати, як одна велика родина.

Members of the S.R.C. Executive are pourers at the Tea given by the students in honor of the Metropolitan. D. Serdinski, and P. Semnovich look prim and proper at this moment.

A happy group of Sodalists pose with Sister Superior Claudia, Rev. Canon A. Luhovy, Rev. E. Kushko, O.S.B.M., and Sister Margaret, Moderator.

In the presence of Sisters, Sodalists, and Students, Sodality Prefect Waltra Novak crowns the statue of the Immaculate Heart — an act symbolizing the deep respect for Mary, Queen of the Universe, with which students of the Academy are imbued.

В школі існує кружок Марійської Дружини. Воно відбуває що два тижні свої сходини, під проводом Преп. Сестри Маргарети, та о. кан. А. Лугового. В ділянці мистецтва, наша Академія в останньому році також себе проявила активно і виправдала себе. На увагу заслуговує інсценізація Христового Різдва п. н. "Дорога до Вифлєсму". Сестри і студентки доложили всіх зусиль щоб вистава випала якнайкраще. Крім великого релігійного знання, мистецький рівень також стояв на високому поземі. Вистава була поставлена на часі й залишила в приявних приємні перед-різдв'яні враження.

# *Many Thanks . . .*

*The Staff of the "COR REGINAE" would like to take this opportunity to thank all those who made the yearbook possible.*

*A special thanks to Sister Superior Claudia and to all the members of the Staff for their guidance and co-operation in helping to make the yearbook ready for publication.*

*A lasting thanks to all the benefactors, patrons, and advertisers, for helping us financially. Without their support it would not have been possible for us to publish this book.*
